My dear Mr McLeod.

Your two of 15th inst. to the many
favours wh your kindness has prompted you to attend to
me, may I ask another. My son has been delayed by
artistic work in Paris two weeks over time, he is to
sail today for N.Y. and I think will be in Phil
in abt 16 days, when he will at once proceed
to Washington or will write to you advising a
disposition of his picture, if you can retain
the picture until then you will again oblige

Wheeler Hall, Frostburg, Md.
June 20th 1883. 2953

I am an Art Student, working with a higher aim than mere pleasure. I have devoted my time this winter to portraits. I have no trouble in getting the likeness, I have just finished a beautiful portrait of a child, and I would like to have some one capable of doing it to criticise it; as a work of art. I have no one here to judge of my work excepting us to beauty.

I thought I would ask if the judges of the Gallery would examine the above picture, and criticise it as a work of art. I would pay expressage. I hope the request is not out of place.
Respectfully, Miss Anna Kern
